## Section I.c Enrollment

Provide the number of students in the teacher preparation program in the following categories. Note that you must report on the number of students by ethnicity and race separately. Individuals who are non-Hispanic/Latino will be reported in one of the race categories. Also note that individuals can belong to one or more racial groups, so the sum of the members of each racial category may not necessarily add up to the total number of students enrolled.

For the purpose of Title II reporting, an enrolled student is defined as a student who has been admitted to a teacher preparation program, but who has not completed the program during the academic year being reported. An individual who completed the program during the academic year being reported is counted as a program completer and *not* an enrolled student.

[Additional guidance on reporting race and ethnicity data.](#)

## Section I.d Supervised Clinical Experience

Provide the following information about supervised clinical experience in 2013-14.

Average number of clock hours of supervised clinical experience required prior to student teaching	205
Average number of clock hours required for student teaching	560
Average number of clock hours required for mentoring/induction support	0
Number of full-time equivalent faculty supervising clinical experience during this academic year	14

Number of adjunct faculty supervising clinical experience during this academic year (IHE and PreK-12 staff)	58
Number of students in supervised clinical experience during this academic year	426

Please provide any additional information about or descriptions of the supervised clinical experiences:

Number of students in supervised clinical experiences include pre-internship field experiences as well as internships. All enrolled students participate in field experiences and/or internship each year. Prior year supervised clinical experiences only accounted for internships.

## Section I.e Teachers Prepared by Subject Area

Please provide the number of teachers prepared by subject area for academic year 2013-14. For the purposes of this section, number prepared means the number of program completers. "Subject area" refers to the subject area(s) an individual has been prepared to teach. An individual can be counted in more than one subject area; if no individuals were prepared in a particular subject area, please leave that cell blank. (§205(b)(1)(H))

### Section IV Low-Performing

Provide the following information about the approval or accreditation of your teacher preparation program.

Is your teacher preparation program currently approved or accredited?

Yes

If yes, please specify the organization(s) that approved or accredited your program:

State  
NCATE

Is your teacher preparation program currently under a designation as "low-performing" by the state (as per section 207(a) of the HEA of 2008)?

No

## Section V Use of Technology

Provide the following information about the use of technology in your teacher preparation program. Please note that choosing 'yes' indicates that your teacher preparation program would be able to provide evidence upon request.

Does your program prepare teachers to:

- integrate technology effectively into curricula and instruction  
Yes
- use technology effectively to collect data to improve teaching and learning  
Yes
- use technology effectively to manage data to improve teaching and learning  
Yes
- use technology effectively to analyze data to improve teaching and learning  
Yes

Provide a description of the evidence that your program uses to show that it prepares teachers to integrate technology effectively into curricula and instruction, and to use technology effectively to collect, manage, and analyze data in order to improve teaching and learning for the purpose of increasing student academic achievement. Include a description of the evidence your program uses to show that it prepares teachers to use the principles of universal design for learning, as applicable. Include planning activities and a timeline if any of the four elements listed above are not currently in place.

All traditional programs have been aligned with technology standards delineated by the ALSDE and include a course specifically designed to meet these technology standards. In addition, methods courses, practicum and internship require candidates to utilize technology in their instructional planning and analysis of student learning. The curriculum and instruction classes are created from the perspective that teachers must design instruction considering multiple approaches to meet the needs of diverse learners. Assessment classes also address highlighting programs and resources that assist teachers with monitoring the progress of all students and that allow multiple means of expression to demonstrate knowledge.

## Section VI Teacher Training

Provide the following information about your teacher preparation program. Please note that choosing 'yes' indicates that your teacher preparation program would be able to provide evidence upon request.

Does your program prepare general education teachers to:

- teach students with disabilities effectively  
Yes
- participate as a member of individualized education program teams  
Yes
- teach students who are limited English proficient effectively  
Yes

Provide a description of the evidence your program uses to show that it prepares general education teachers to teach students with disabilities effectively, including training related to participation as a member of individualized education program teams, as defined in section 614(d)(1)(B) of the *Individuals with Disabilities Education Act*, and to effectively teach students who are limited English proficient. Include planning activities and a timeline if any of the three elements listed above are not currently in place.

All general education programs have been with standards related to working with special needs students delineated by the ALSDE and include a course specifically designed to meet these standards. In addition, methods courses, practicum and internship provide candidates multiple opportunities to collaboratively plan and reflect on lessons that address special needs.

---

Does your program prepare special education teachers to:

- teach students with disabilities effectively  
Yes
- participate as a member of individualized education program teams  
Yes
- teach students who are limited English proficient effectively  
Yes

Provide a description of the evidence your program uses to show that it prepares special education teachers to teach students with disabilities effectively, including training related to participation as a member of individualized education program teams, as defined in section 614(d)(1)(B) of the *Individuals with Disabilities Education Act*, and to effectively teach students who are limited English proficient. Include planning activities and a timeline if any of the three elements listed above are not currently in place.

All traditional special education programs have sequential coursework aligned with special education standards delineated by the ALSDE. In addition, methods

courses, practicum and internship provide candidates multiple opportunities to collaboratively plan and reflect on lessons that address special needs.

## Section VII Contextual Information

Please use this space to provide any additional information that describes your teacher preparation program(s). You may also attach information to this report card. The U.S. Department of Education is especially interested in any evaluation plans or interim or final reports that may be available.
